Hi Tricia,
I would be happy to talk to you about this bill. I'm free today before noon. Let me know a good time to call.
Mary

Subject: Call to Discuss AB 1511 (Bloom)

Hi All:

I am writing to see if we can schedule a call before the end of the week to discuss AB 1511 (Bloom). I understand the bill is pretty straight forward and a very slight change to existing law, but being that I am coming into this after the initial conversations it would help me to speak with someone to get a few bullet points on why existing law needs to be changed, why this change in the code section is necessary, etc. I have to prepare a fact sheet and only have the language you provided me last week to go off of.

Sam—I understand your schedule is heavily impacted this month, so it's not a problem if you are unable to chat this week. But Mary et al if one or all of you are available to chat briefly by phone just to answer a few questions before the end of the week that would be greatly appreciated.

Thank you,
Tricia
